OTHER SERVICE QUOTES AVAILABLE ON REQUEST

If you are going on holiday and need vaccinations you need to book a telephone consultation with one of our practice nurses. Please advise which country you are going to and how many will be travelling. This will allow the practice nurse to ensure she has the correct information at your consultation. All vaccinations need paid for in advance before they will be administered.

Payment for Chargeable Vaccination Items

All vaccinations or services that require payment are to be paid for in advance of administration. Our fees include the cost of the drug, including carriage, VAT, a private prescription, practice nurse time and a small administration fee.

Refunds Policy

We cannot offer refunds for vaccines purchased on a named patient basis as they are non-returnable once purchased. Prices are subject to change without prior notification.

THE ELMS
MEDICAL PRACTICE
